Books Descriptions

Popular spiritual teacher and attuned empathic healer shares energetically encoded mantras on worthiness, abundance, love, and more. What is a mantra? A mantra is an echo of your highest wisdom, reflecting back in your own voice to help you recall all the things you were born to remember. Together, they're doses of vibrational medicine delivered into your energy field through the power of your voice. Mantras are the language of unity consciousness; where the one speaking its wisdom and the one receiving its power are seen to be the same. This card deck from gifted healer and intuitive Matt Kahn contains 52 channeled mantras that have been encoded with healing energy, to realign your mind, body, heart, and soul. In this deck, users will strengthen their connection to the Universe, and a remembrance of their innate wholeness and perfection. Mantras include:- The light is always within me - I was born of infinite joy - I am worthy of all the pleasure my heart desires. - My intuition flows
