## Books Descriptions

The Korean sixth sense for winning friends and influencing people, nunchi (pronounced noon-chee) can help you connect with others so you can succeed in everything from business to love. The Power of Nunchi will show you how. If you're thinking, "Not another Eastern fad: Marie Kondo already made me throw away half my clothes," don't worry--it's not a fad. Nunchi has been used by Koreans for more than 5000 years. It's what catapulted their nation from one of the world's poorest to one of the richest and most technologically advanced in half a century. The art of reading a room and understanding what others are thinking and feeling, nunchi is a form of emotional intelligence that anyone can learn--all you need is your eyes and ears.
