Books Descriptions

Witches come from all walks of life and spiritual beliefs. No matter what your path may be, this almanac has all the goodies you are looking for. The focus of this year's almanac is exploring new ideas to forge your own unique path. Special planner pages, worksheets, and articles are included to help you achieve your goals, discover your hidden talents, and explore the awe-inspiring beauty of nature. The projects, articles, and ideas will motivate you to hone your witchy skills no matter your current level of expertise, including divination (tarot, runes, pendulum), herbalism & wortcunning, and using nature's gifts of stones, crystals, and minerals. It can also be used as a companion study guide to the traditional "year and a day" of study prior to initiation or solitary dedication. And as always, it contains astrological and astronomical information, moon phases, trivia, recipes, Sabbats, historical tidbits, and everything you need to get you in touch with the Practical Witch
