Without the sun, the rose that blooms in the night must learn to create light within herself and bloom from her own love. This poetry collection is a journey of finding the strength it takes to be soft. The Rose That Blooms in the Night is a collection of poems from spoken word poet, yoga instructor, podcaster, and Instagram influencer Allie Michelle. The collection is meant to be a mirror reflecting the love inside of those who read it. It tells the tale of transformational cycles we experience throughout our lives. Falling in and out of love. Feeling lost and rediscovering our purpose. Learning to create a home within our own skin instead of seeking it in other people and places.
