Books Descriptions

Jenn Lyons begins The Godslayer Cycle with The Ruin of Kings, an epic fantasy audiobook about a man who discovers his fate is tied to the future of an empire. Kihrin is a bastard orphan who grew up on storybook tales of long-lost princes and grand quests. When he is claimed against his will as the long-lost son of a treasonous prince, Kihrin finds that being a long-lost prince isn't what the storybooks promised. Far from living the dream, Kihrin finds himself practically a prisoner, at the mercy of his new family's power plays and ambitions. He also discovers that the storybooks have lied about a lot of other things too: dragons, demons, gods, prophecies, true love, and how the hero always wins. Then again, maybe he's not the hero, for Kihrin is not destined to save the empire. He's destined to destroy it.
