Books Descriptions

The Sketchbook of Loish offers readers a unique look into Loish's creative processes and idea generation, providing an insight into the role her sketches play in her extremely popular work. Peek inside Loish's sketchbook and discover how she explores gesture, stylization, and sketching for animation. Learn the different techniques she uses when sketching with traditional and digital tools, and follow the book's two detailed tutorials on character construction and sketching digitally to improve your own processes. The book also features handy quick tips for capturing movement, using different line weights, shading, and using textured brushes. Including an insight into Loish's character sketching, development sketches, landscape, and reference studies this book will show you how Loish captures the spirit of her finished artworks in her exquisite preliminary work. In addition to showcasing a comprehensive collection of Loish's sketches, this book features exclusive artwork, and a special
