Books Descriptions

A modern oracle deck for a new generation of mystics, The Starseed Oracle holds the celestial keys to awaken users to new energetic transmissions and enter new realms of enlightenment. The Starseed Oracle is a breathtaking 52-card oracle deck that works as a visual support system for starseeds, empaths, lightworkers, and seekers. Depicting energy portals, ancient sites, faraway planets, and star systems, the oracle is otherworldly, literally opening a path to things that cannot be seen with our eyes--linking the star beings to Earth and Earth's sacred sites to the star beings. Starseeds are souls that first incarnated somewhere beyond this planet--many have a sort of "knowing" or remembering from a young age. For those starseeds roaming the earth with a feeling of homesickness, a pull towards the unknown within the stars, this deck will help them: * identify as a starseed, and understand what this word means* feel less alone in the universe and understand their longing for "home" *
