From the writer who shocked and delighted the world with his novels *Lolita*, *Pale Fire*, and *Invitation to a Beheading*, and so many others, comes a magnificent collection of stories. Written between the 1920s and 1950s, these sixty-five tales--eleven of which have been translated into English for the first time--display all the shades of Nabokov's imagination. They range from sprightly fables to bittersweet tales of loss, from claustrophobic exercises in horror to a connoisseur's samplings of the table of human folly. Read as a whole, *The Stories of Vladimir Nabokov* offers an intoxicating draft of the master's genius, his devious wit, and his ability to turn language into an instrument of ecstasy.
