## Books Descriptions

The Ultimate Cigar Book is a classic on the subject, covering everything from how cigars are made, to storage, etiquette, and accessories. Richard Carleton Hacker's category bestselling is often credited with helping to create a new generation of cigar aficionados. No other book contains as much detailed and factual information on virtually every facet of cigar making and cigar smoking. And now this trendsetting has been revised in this fourth edition for the aficionado of the future! Forget 1492. This book starts out in B. C. (Before Columbus) and transports the cigar enthusiast on a fun and fact-filled adventure into virtually every realm of today's popular and growing cigar smoking pastime. Written by one of the most knowledgeable and internationally-celebrated pipe and cigar authors of our time, Richard Carleton Hacker's well-known wit and wisdom will keep the reader enthralled with every turn of the page, as he takes you on an information-packed would tour of cigars.
