Books Descriptions

Don't miss a moment of the complete New York Times bestselling Unwind dystology from Neal Shusterman, now available as a collectible paperback boxed set. After the Second Civil War, the Bill of Life states that human life may not be touched from the moment of conception until a child reaches the age of thirteen. However, a loophole allows parents to retroactively get rid of a teenager through a process called "unwinding." Three teens defy the system and run away from their unwinding: Connor, a rebel whose parents have ordered his unwinding; Risa, a ward of the state who is to be unwound due to cost-cutting; and Lev, his parents' tenth child whose unwinding has been planned since birth as a religious tithing. As their paths intersect and lives hang in the balance, Connor, Risa, and Lev must work together to survive—and they may change the fate of America in the process. This complete boxed set includes paperback editions of Unwind, UnWholly, UnSouled, UnDivided, and Unbound.
