## Books Descriptions

A behind-the-scenes look at the creative process of Tim Walker, one of the world's most innovative and sought-after photographers ? A journey through the unique creative mind of one of the world's leading photographers, this book includes more than 100 new photographs by Tim Walker, inspired by the Victoria and Albert Museum's enormous and eclectic collection. Known for creating fantastical images with elaborate staging, Walker collaborates with set designers, stylists, hair and makeup artists, models, and muses to bring his imaginative ideas to life. This book celebrates their myriad talents and records Walker's creative process, from his detailed research in the labyrinth of storerooms and galleries at the V&A and Museum of Childhood, preparatory sketches, and behind-the-scenes photographs to spectacular final pictures. ?
