Books Descriptions

Life can be hard: your lover cheats on you; you lose a family member; you can't pay the bills—and it can be great: you've had the hottest sex of your life; you get that plum job; you muster the courage to write your novel. Sugar—the once-anonymous online columnist at *The Rumpus*, now revealed as Cheryl Strayed, author of the bestselling memoir *Wild*—is the person thousands turn to for advice. *Tiny Beautiful Things* brings the best of *Dear Sugar* in one place and includes never-before-published columns and a new introduction by Steve Almond. “Rich with humor, insight, compassion—and absolute honesty”—this book is a balm for everything life throws our way.
