

Get Book Tracing Books for Kids: Letter Tracing Practice Book for Preschoolers, Kindergarten (Printing for Kids Ages 3-5)(5/8 Lines, Dotted)

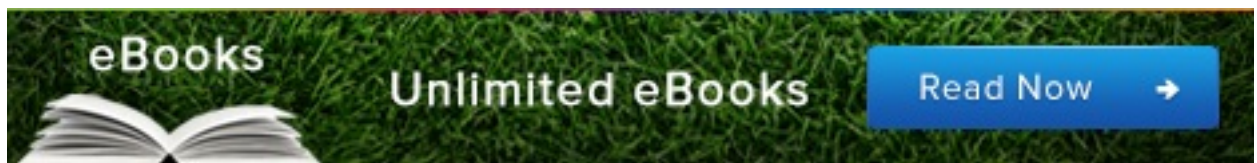

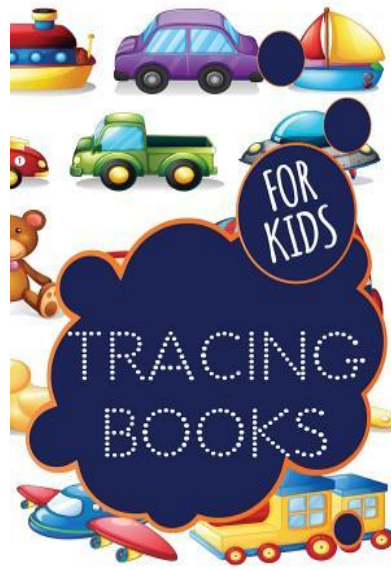

By NOT A BOOK

Tracing Books For Kids Inside you will find 5/8" dotted font aimed towards kids who need more of a challenge when tracing the letters. We start off with a full page of each uppercase and lowercase letters paired together. Then a full page dedicated to each letter, uppercase and lowercase, follows. We finish the book off with each page being either the uppercase letter or lower case letter starting off the line with the rest being empty practice space. This allows your child a lot of practice before they start to print the letters freehand without the guidance.

At 8.5 x 11 the book is easy to handle with little hands. Take a peek at the look inside to make sure this is the right book for you and your child.
