Books Descriptions

Remember the thrill of tearing open a gift on Christmas morning, discovering a brand-new Transformer toy in a shiny new box? Relive that childhood joy searching through these highly detailed images remembering the toys you had, the toys you wanted, or the toys you never knew about! And what made them stand head-and-shoulders above the myriad competing action figures on shelves was the stunning box art. This art book presents hundreds of beautifully airbrushed paintings from the iconic first decade of The Transformers, as archived by Hasbro, Takara, and private collectors around the world. Extras include never-before-seen artwork from toys that never were, original design sketches, catalog artwork, and more.
