Books Descriptions

Trend trading lets the market do the work for you. Is your portfolio doing all it should? Are you looking for a market-focused way to increase returns? Try your hand at trend trading. Instead of analyzing the performance of a company, analyze the performance of the market as a whole. When you spot a trend, jump on it and let it ride until it's time to move.

Whether your strategy is short-term, intermediate-term, or long-term, trend trading can help you capitalize on the action of market and get the most out of every move you make. "Trend Trading For Dummies" will get you up to speed on the ins and outs of this unique technique. You'll learn how to spot the trends and just how heavily market analysis figures into your success. You can get as complex as you like with the data for long-term predictions or just go for quick rides that pump up your gains. Before you jump in, you need to know the basics that can help ensure your success. Learn the rules of trend trading and why you need a
