In the past and in present-day indigenous traditions, women have known that the womb houses the greatest power a woman possesses: the power to create on all levels. Utilized in the process of giving birth, this power of creation can also be tapped in the birth of projects, careers, personal healing, spirituality, and relationships. However, because the womb stores the energetic imprint of every intimate encounter--loving or not--the creative voice of the womb is often muffled or absent altogether, affecting the emotional, mental, and spiritual health of women and their
