THE SEQUEL TO THE NUMBER 1 BESTSELLER WORKING CLASS BOYIt's a life too big and a story too extraordinary for just one book. Jimmy Barnes has lived many lives - from Glaswegian migrant kid to iconic front man, from solo superstar to proud father of his own musical clan. In this hugely anticipated sequel to his critically acclaimed bestseller, *Working Class Boy*, Jimmy picks up the story of his life as he leaves Adelaide in the back of an old truck with a then unknown band called Cold Chisel. A spellbinding and searingly honest reflection on success, fame and addiction; this self-penned memoir reveals how Jimmy Barnes used the fuel of childhood trauma to ignite and propel Australia's greatest rock'n'roll story. But beyond the combustible merry-go-round of fame, drugs and rehab, across the Cold Chisel, solo and soul years - this is a story about how it's never too late to try and put things right.
